

NONA CUP 2025

Now in its 6th edition, the Nona Cup has become one of Central Florida's premier soccer experiences, bringing together players, families, and fans for a weekend celebration of the world's game. Since its start in 2020, the Nona Cup was created to be more than a tournament: it's an immersive community experience, uniting Lake Nona and Southeast Orlando through competition, connection, and passion for soccer.
